## NOTICE

TAKE NOTICE that, by Order in Council No. 41, approved January 9, 1962, as amended by Order in Council No. 1269, approved May 10, 1962, made in accordance with the provisions of the *Land Act*, rights-of-way over certain Crown lands were granted to Western Pacific Products & Crude Oil Pipelines Ltd. and Westcoast Transmission Company Limited (hereinafter called the "Companies") for the purpose of constructing and operating pipe-lines, which lands are more particularly described as the Crown lands shown outlined in red on Plans O-WD-4000-7 R7, O-WD-4050-7 R6, O-WD-4100-3 R3, O-WD-4100-4 R7, O-WD-4100-5 R6, O-WD-4100-6 R6, O-WD-4150-1 R6, O-WD-4200-1 R7, O-WD-4200-6 R3, O-WD-4300-2 R4, O-WD-4300-3 R4, O-WD-4350-2 R5, O-WD-4400-4 R6, O-WD-4450-7 R4, O-WD-4450-8 R5, and O-AB-4250-1 R5 on file in the Department of Lands, Forests, and Water Resources and in the Land Registry Office at Kamloops, B.C.:

That the Companies have submitted it would be expedient and in the interest of all concerned if the titles conferred by

the grant could be registered under the provisions of the *Land Registry Act*:

That the *Land Registry Act* permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by section 258 (2) of the *Land Registry Act*:

That the grant has been issued on the basis that when and as soon as the Companies shall have laid the initial pipe in the exercise of the authority granted to them by the said Order in Council the rights, licences, liberties, privileges, and rights-of-way granted by the said Order in Council shall thereupon and thereafter be confined and restricted as provided in the said Order in Council:

And, therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the *Land Registry Act* and all other powers thereunto enabling, the following regulations be made:—

1. A grant of the right-of-way in favour of the Companies shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the lands described in the grant in the register and, upon application being made for the registration of the title of the Companies to the right-of-way and upon compliance with the provisions of the *Land Registry Act* and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 3, and in accordance with the procedure prescribed under Regulation 4.

2. When and as soon as the Companies have laid the initial pipe, the right-of-way shall be reduced in width as provided in the said Order in Council.

3. Within eighteen months after the completion of the construction by the Companies of the initial pipe, a final plan of the right-of-way shall be prepared by the Companies in accordance with the regulations which the Surveyor-General has issued or may issue, and copies of such plan shall be deposited with the Surveyor-General as he may require. The Surveyor-General shall, after approval, transmit the necessary approved copies of the plan to the proper Land Registry Office for deposit.

4. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the right-of-way and the title of the Companies by striking out the description of the lands therein and substituting therefor the description of the lands according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall relate back to and have the same force and effect as if that description were contained in the original grant of the right-of-way and registered in the register.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street, Vancouver 1, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

OF BRITISH COLUMBIA

In the Matter of the Quieting Titles Act, R.S.B.C. 1960, Chapter 327; and in the Matter of That Part of Lot 11, Newcastle District, lying to the North of the Little Qualicum River.

TAKE NOTICE that an application was made by Olympic Forest Products Ltd. before the Honourable Mr. Justice Verchere on Thursday, the 14th day of June, A.D. 1962, at the Courthouse in the City of Vancouver, in the Province of British Columbia, under the *Quieting Titles Act* for a declaration that certain lands have accreted to the hereinafter-described lands:

And further take notice that on the hearing of the said application the Honourable Mr. Justice Verchere made the following order:—

“And upon it appearing that the Attorney-General for the Province of British Columbia was duly served with copies of the aforesaid petition, affidavit of Bruce E. Welch, certificate of counsel, and schedule of particulars and that the Attorney-General for the Province of British Columbia does not oppose the application of the petitioner herein as appears by a letter attached to the said affidavit of W. Richard D. Underhill sworn the 13th day of June, 1962, and filed herein; and upon it appearing that the petitioner has complied with sections 8 and 11 (b) of the *Quieting Titles Act*, R.S.B.C. 1960, chapter 327; and upon due investigation of the title of the petitioner in and to the lands hereinafter more specifically described and upon it appearing that the petitioner is the registered owner in indefeasible fee-simple of that part of Lot 11, Newcastle District, lying to the north of the Little Qualicum River (hereinafter referred to as the ‘said part of Lot 11’); and upon it appearing that parcels of land amounting in area to 5 acres, more or less, have accreted to the said part of Lot 11 or that there has been a gradual and imperceptible retreat of the Gulf of Georgia and Little Qualicum River.

“And upon it appearing that the petitioner, Olympic Forest Products Ltd., is entitled to a declaration of title of this Court under the authority of the *Quieting Titles Act*, R.S.B.C. 1960, chapter 327, that it is the legal owner in fee-simple of all those lands and premises consisting of the said 5-acre parcels adjoining the said part of Lot 11 as shown outlined in red on the survey plan hereunto annexed and made part of this order, subject, however, to exceptions and reservations in favour of the Esquimalt & Nanaimo Railway Company as registered in the Victoria Land Registry Office under number 69901G and subject to a certain option of Qualicum Marine Properties Ltd. in favour of Qualicum Marine Properties Ltd., which said option is not registered in the Victoria Land Registry Office, and subject to the conditions, exceptions, and reservations enumerated or referred to in clauses (a) to (k) of subsection (1) of section 38 of the *Land Registry Act*, R.S.B.C. 1960, chapter 208, but free from all other rights, interests, claims, and demands whatsoever.

“This Court doth direct that after due publication of a notice of this application of this order having been made in two consecutive editions of The British Columbia Gazette, and after service of a

copy of this order upon the Esquimalt & Nanaimo Railway Company, and after filing an affidavit of proof of the said publication and the said service, and after the expiration of four weeks from the date of the first publication in The British Columbia Gazette as aforesaid, and if no notice of adverse claim has been filed in the manner provided by the *Quieting Titles Act*, then a declaration of title with respect to the aforesaid parcels of land amounting in area to 5 acres, more or less, the water boundaries of such parcels to be the visible high-water mark thereof represented by a series of straight lines as determined by survey, in the form set out in the Schedule to the *Quieting Titles Act*, R.S.B.C. 1960, chapter 327, under the seal of this Court and over the signatures of one of the Judges of this Court and of the District Registrar at Vancouver, British Columbia, may be granted and issued to the petitioner herein.”

### NOTICE

In the Matter of the Request for a Pulpwood Harvesting Area under Section 17A of the Forest Act and the Public Hearing of the Submission of Canadian Forest Products Ltd. Held at Prince George, B.C., on June 6, 1962.

UNDER authority invested in me under section 17A of the *Forest Act* as Minister of Lands, Forests, and Water Resources, a public hearing was held on June 6th in the Courthouse at Prince George, B.C.

At the hearing Canadian Forest Products Limited presented to me proposals for the establishment of a pulp operation in the Prince George Forest District. This operation to include the establishment of a fully bleached kraft pulp mill with an initial capacity of 500 tons per day with a possible expansion to 1,000 tons per day and the utilization of the pulpwood from the following public working circles and sustained-yield units: Parsnip, Crooked River, Carp, Stuart Lake, Westlake, Naver, Big Valley, Willow River, and Nechako.

In support of this proposal, statements were made by the following groups or individuals:—

- (1) The Mayor and Council of the City of Prince George, represented by Mr. Harry Loder, Acting-Mayor, and Mr. Thomson, municipal manager.
- (2) Prince George Chamber of Commerce, represented by Mr. Alex. Clark.
- (3) Prince George and District Industrial Development Commission, represented by Mr. H. Moffat.
- (4) Northern Interior Lumbermen's Association, represented by Mr. Gallagher, manager.
- (5) Eagle Lake Sawmills Limited and Penny Spruce Mills Ltd., represented by Mr. G. Brownridge, general manager.
- (6) Clear Lake Sawmills, represented by Mr. H. Roine.
- (7) Western Plywood (Cariboo Ltd.) Limited, represented by Mr. Pit Desjardins.
- (8) Mr. A. Cliffl.

Two requests were received for me to withhold my decision.

The first was from Northern Kraft Limited, which requested an estimated sixty days in which to submit its proposals. On questioning, it became apparent that it would in fact be a separate overlapping proposal covering the Willow River and Big Valley Units.

Inasmuch as the proposal to be submitted by it would not be for the area contained in the advertisement of this hearing, and in view of the fact that no evidence whatsoever was submitted to show that the entire area was not required, considering the risks and uncertainties involved, to enable Canadian Forest Products to carry out the undertakings made in its proposal, I can see no useful purpose being served by a stay of sixty days.

The second was from Noranda Mines (Northwood Mills Ltd.), which requested a six months' adjournment on the grounds that this was a premature hearing because, due to the uncertainties of marketing and financing, neither Canadian For-

est Products nor Noranda Mines (Northwood Mills Ltd.) are in a position to offer a firm proposal which could be signed should the pulpwood harvesting area be granted.

I cannot accept this argument because, in fact, a firm proposal has been placed before me offering the posting of a performance bond of \$500,000, and it is not within my jurisdiction to pass judgment as to whether or not this offer has been made prematurely.

After considering the facts brought before me at the hearing, I am satisfied with the terms and conditions of the proposal submitted by Canadian Forest Products Limited.

Pursuant to section 17A, subsection (1) (d), I herewith designate the area within Stuart Lake, Westlake, Naver, Willow River, and Crooked River Public Working Circles and Nechako, Big Valley, Parsnip, and Carp Sustained-yield Units to be Pulpwood Harvesting Area No. 1. I further propose to grant to Canadian Forest Products Limited an option to purchase the pulpwood from the above-designated pulpwood harvesting area subject to an agreement satisfactory to me.

RAY WILLISTON,  
*Minister of Lands, Forests,  
and Water Resources.*
